Zenith American Solutions' Trustee Edge™ is a secure and reliable web-based portal designed specifically for Trustees. This platform offers on-the-go access to plan documents and other critical Trust Fund information.

With the Trustee Edge™ portal, you can customize your online storage solution to fit your specific needs while ensuring your Trust Fund's information stays safe and secure. The portal also has unlimited uploading capabilities, making it the ultimate hub for Trustee resources.

Trustee Edge™ is included in our standard administrative fee at no additional cost to our client Trust Funds.

To log in, visit: edge.zenith-american.com and select "Trustee" as the account type and enter login credentials. Contact your Client Services Management Team for assistance.
