## Virtual Care, Anywhere

### 24/7/365 Assistance

- The nation's largest telehealth network
- Get prescriptions (when appropriate)
- Quality care on your schedule
- Private and secure consultations
- Peace of mind for you and your family

## 24/7 Access To Certified Doctors and Therapists

Cloud-based platform helps consumers, health plans, health systems and self-insured Plans obtain care more conveniently than visiting a doctor's office and far more cost-effective than going to the ER or Urgent Care for routine appointments.

Access a doctor from your home, office or on-the-go through MDLive. Board certified doctors visit with you by phone or video regarding non-emergency medical conditions.
