

ELIGIBILITY, ENROLLMENT AND SIMPLIFIED COBRA COMPLIANCE

STREAMLINED COBRA AND SELF-PAY NOTICE GENERATION

At Zenith American Solutions, we understand the complexities of COBRA administration. Our robust eligibility system automates the generation and tracking of COBRA and self-pay notices when participants lose coverage. Whether it's due to no eligibility, a change in marital status, over-age dependents, or other qualifying events, our system ensures compliance and efficiency.

Comprehensive COBRA Administration

- Automated monitoring, collection, and tracking of payments
- Timely termination notices for non-payment
- Record-keeping for correspondence, notices, and eligibility
- Up-to-date adherence to COBRA regulatory revisions

Timely COBRA-Related Notices

- Prompt notification for participants and beneficiaries
- Federal regulation compliance
- Customized system for generating notices and billings
- Track payments and ensure proper documentation

Convenient Payment Options

- Integration with Fund's preferred payment processors
- Credit card and auto-pay services
- Transaction cost associated with processing bank

Hassle-Free Continuation of Coverage

- Notifications with clear explanation of continuation rights
- User-friendly form for continuation of coverage election
- Detailed instructions for premium payments
- Seamless coordination with carriers and reporting on status
